Greater Manchester has been placed into tier three lockdown, England's highest level of alert. The UK government has given a £60 million support package for businesses affected by the new restrictions. The Mayor of Greater Manchester, Andy Burnham, has described £65 million as the 'bare minimum to prevent a winter of real hardship'. The government has described £60 million as a 'fair' amount. Which of the following do you think would have been the best course of action to take for Greater Manchester?

To give no more than £60 million in support	40	47	35	24	46	39	35	50	37	40	45	60	26	37
To give at least £65 million in support	39	39	37	59	35	37	43	30	44	37	35	22	60	39

A senior Conservative MP was reported to have seen the Health Secretary, Matthew Hancock, drinking in a bar in the Houses of Parliament as late as 10.25pm on 5th October. This is past the 10pm nationwide deadline for all pubs, bars and restaurants to close. A spokesperson for Mr Hancock has said that 'the proposed is false and no rules have been broken'.
